

SERVICE-LEARNING INCLUSION DIVERSITY & DIGITAL EMPOWERMENT

## SLIDE

**Service-Learning as a pedagogy to promote inclusion, diversity, and digital empowerment**

**User manual for login to SL training hub**

**Co-funded by  
the European Union**

**Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.**

## Login into the e-learning platform (based on Moodle)

You can access the Moodle system at the web address <https://sltraininghub.reu.pub.ro/>.

Users who log in for the first time should create an account. Select the **Create new account** button in the **Is this your first time here?** block.

The screenshot shows the login interface for the SL Training Hub. It features a title 'Log in to SL Training Hub' and two input fields for 'Username' and 'Password'. Below these is a blue 'Log in' button and a link for 'Lost password?'. A section titled 'Is this your first time here?' contains the text 'For full access to this site, you first need to create an account.' and a button labeled 'Create new account', which is highlighted with a red rectangular box. Below this section, there is a link for 'Log in as a guest' and a 'Cookies notice' button.

*Caption 1: Create new account button*

The next step is to select the desired username and password and enter additional user information. After you complete the necessary information, submit the form by selecting the **Create my new account** button. Then you will receive a notification about the created account to the e-mail address you specified in the form. In this email you must click on the specified link to confirm the user account creation.

---

## New account

Username ❗

The password must have at least 8 characters, at least 1 digit(s), at least 1 lower case letter(s), at least 1 upper case letter(s), at least 1 special character(s) such as as \*, -, or #

Password ❗

Email address ❗

Email (again) ❗

First name ❗
